Process to login for online proctoring before start of the online exam

1. Open the IE or Chrome browser and open link <u>http://imtcdl.adobeconnect.com/OEM</u>. Latest adobe flash player is requirement in case of IE. In case your machine does not have the latest Flash, it will get uploaded automatically, allow it. Follow the screen instructions. Once the installation is over you will get the login screen as below.

2. Login as guest with your Roll Number into the system. Below Screen will appear after login:

3. Once logged in you need to enable camera by clicking on camera icon on menu bar of the adobe window. Camera icon will only visible once allowed by presenter before start of the exam.

4. After enabling the camera now start sharing it by clicking start sharing on camera preview as below:
