(NLU-03)
ASSIGNMENT

Max. Marks-30

Last Date of Submission- 31 December, 2013

Address for Submission:

The Director
NLU-IMT Collaborative Programs
National Law University
NH-65, Nagour Road
Jodhpur

Instructions:

- 1. Marks are allotted against each question***
- 2. All the questions are compulsory***
- 3. The assignment should be hand written***

1. State reasons as to why WIPO cannot be called as the body governing International relations and conduct of Intellectual Property Trade throughout the world. **(3 marks)**
2. How does the DRM help in the copyright protection and enforcement? **(4 marks)**
3. Write a short note on jurisdictional and choice of law issues in cyber space. **(3 marks)**

4. Explain how the Information Technology Act, 2000 addresses the civil and criminal liabilities for data protection. Also discuss the grey areas of the said legislation. **(5 marks)**
5. What are domain names? Explain the role of UDRP in resolution of domain name disputes and comment on the merits and demerits of the same. **(5 marks)**
6. Jason runs a news site compiling news from different sources. Through of the news items, it provides a deep-link into the website of a leading news site www.newstime.com, thus skipping its main page. The owners of the website www.newstime.com get to know of this and feel concerned by the revenue which has hit as a result of by-passing of he advertisements on the main page. The owners thus, contact you (as their consultant/attorney) seeking advice as to the course of actions that they should take. Advise them considering that all parties are Indian residents and citizens. **(10 marks)**
